

MONTERREY, MEXICO MISSION TRIP 2017

Much like the mountains that surround it, Monterrey is home to people who are strong and beautiful. The city is the capital of the state of Nuevo Leon and is an industrial hub for businesses from all over the world. While this modern city is growing at an exponential rate, those who live there are desperate for something more than just material things the world is offering.

Ministries

- **Bible Distribution** – We've adopted several neighborhoods in the city of Monterrey with the goal of getting a Bible to every home.
- **Sharing the Gospel** – We'll use drama, friendship, and conversations to tell people about what Jesus has done for them. (*Don't worry – we'll have translators to help you communicate!*)
- **Supporting the Church** – We'll partner with local churches to reach their neighborhoods.
- **Children's Ministry** – We'll demonstrate the love of Jesus to kids in schools, parks, and everywhere we go.
- **Construction** – Besides coming alongside the church in reaching their community, we'll have opportunities to meet practical needs as well, like painting projects and minor construction.
- **Orphanage** - We will have the opportunity to partner with orphanages in the city by teaching the children Bible lessons and helping out around the grounds where needed.
- **Dates** - July 5 - July 13

Cost

The costs of the trip includes airline, lodging, meals, sightseeing trips and travel in-country. The cost of this trip will be \$1750. The things not covered by this amount are the cost of a passport if team members do not already have one, souvenirs or medical shots if your doctor recommends them. Team members will raise their own support for this but we will work with them on how to do this as well as the possibility of some group fund raising. Traditionally the majority of this is through support letters. The first thing we always assure those going is that if God is directing you to go then God will provide the funds.

Once the team has been established we will begin meeting during lunches and some after school times to prepare ourselves for this adventure where God is going to work in us and through us. There will be more specific forms handed out once you have been selected for the team some of which will involve instructions on fundraising. Those meeting will include spiritual training as well as team building.

We are very excited about this new direction for our school missions. After you and your family have prayed about your involvement with this fill out an application. They can be downloaded from the website. There are two applications one for those who have gone with PCS in the past and one for those going the first time. There is also a general parent permission on the website that must be turned in with the application. **Because the airline tickets are booked early we will need the applications and a \$200 deposit by February 24, 2017.** As soon as your application is processed you will be notified.

If I can help you or your parents with this decision please feel free to call or email BettyAnn Schreiner.
