

Portland Christian School Athletics Elementary School Basketball Sign-Ups

Dear Parents and Students,

PCS is excited to offer elementary basketball for your students in third through sixth grade. If you have participated before we hope you choose to do so again, and if this will be your first time, welcome! Listed below are the tentative dates for the 2019-2020 season.

This season will run from October 26th-December 16th.

The week of September 30th we will begin athlete evaluations and practices. Typically, our elementary teams will practice once or twice a week, with regular season games always on Saturdays. We will play at various schools around Louisville for our games. Practices for elementary are often held off-campus at local churches or outside sports venues.

A proper physical must be completed and turned in by the time practice begins. For grades 3-5, the school physical will be accepted. For 6th graders the KHSAA requires an athletic physical. The physical form can be found on the school website, school office and the KHSAA website. Your pediatrician will be very familiar with this form. If you have already done the 6th grade physical it is just a matter of the doctor completing this athletic form.

The elementary athletic fee is \$75 for the basketball season. Names and phone numbers of registered students will be given to the coaches to contact you when actual practices begin. They will inform you of who they are, as well as times and locations for all events.
