

Thank you for partnering with us as we continue through the 21/22 school year. The Kentucky Department of Public Health recently updated guidance for K-12 school operations regarding Covid-19 quarantines due to exposure at school. Students who are in close contact with a person at school who tests positive for Covid-19 will not be required to quarantine.

According to current guidance if you are exposed to Covid-19 outside of the school setting (i.e. households), quarantine guidelines should be followed.

If you have any questions or concerns, please email healthroom@portlandchristian.org
