

Available Tuition Assistance

PCS offers an aggressive Tuition Assistance program to any family who wishes to apply. The program is made possible through the generous donations of others who share the common goal of providing a Christian learning environment to as many students as possible. Each year the PCS board will determine the funding of the tuition assistance program that is available based on donations received. **Total tuition assistance awarded will be limited to this funding.**

All tuition assistance awards are for one year only.

Tuition Assistance Applications – FACTS Grant & Aid

Tuition assistance awards are provided for families with a demonstrated financial need as determined by **FACTS Grant and Aid**, an independent third-party provider.
